

Trefoil Wet and Wild

Several members of Cheshire Border Trefoil Guild enjoyed a day on Tatton Lake on June 13th.2010. They experienced sailing in a Wayfarer, going in a katacanoe and a Canadian canoe . The instructors were brilliant and a cold lunch was also provided.

The weather was good with just enough wind to make it easy to sail and the rain managed to stay away until the end of the last session.

Thank you to the water team for organising such a super event.
